## Keeping Everyone in the Loop

With its integrated network capabilities, the HL-2150N is the ideal laser printer for small and home offices with multiple computer terminals. Not only is it cross-platform compatible (Windows and Mac), but its USB 2.0 and Ethernet 10/100 connections also give you unparalleled flexibility in keeping your entire office connected.

Use the quick start guide and have your office up and running in mere minutes. The 250 sheet input tray and large capacity toner ensure that repeated trips to the office supply cabinet will be a thing of the past, and with a remarkably fast 22 pages per minute (A4) print speed, you'll be done in a fraction of the time. Stay in the loop, stay connected with the HL-2150N.
